

OPERATION HUSKY

In July 2023, a group of Canadians will follow in the footsteps of the 25,000 Canadian soldiers who fought in Sicily during World War II. Along their 325 km march, they will plant personalized soldiers' markers to honour the 562 men who died on Sicilian soil during the summer of 1943.

In the fall of 2022, students in Canada and Sicily will cut out and paint over 600 Canadian maple leaves for the markers. Students in Pachino and Agira, Sicily will prepare the markers in March of 2023 by writing messages to our fallen soldiers. Working together, these students are learning about each other's shared history and will honour the sacrifice of those who died on all sides.

In 2023, as in 2013, the markers will be placed in clusters, close to where our soldiers died in Sicily. A daily ceremony will be held in which each soldier will be honoured

You can help the marchers of Operation Husky 2023 honour the sacrifice of our dead by sponsoring your own soldier's marker. All proceeds will help us bring Canadian volunteers and veterans to the march.

Sponsor a Marker for \$150
